

Did you know that there is a way to remember those special occasions of family and friends other than sending flowers? The Patriots' Path council has a Memorial Tribute Fund Program to promote funding of the permanently restricted endowment fund while recognizing the special occasions in life.

A special easy-to-use coupon book has been designed for this purpose. Here's how it works. The donor completes the coupon with the person's name to be remembered, whether for a death, anniversary, Eagle Scout achievement, get-well, or any other memorable occasion. This coupon is sent to the Council office along with a check for whatever amount the donor would like to contribute. A thank you is sent to the donor for the gift, and a card is sent to the family of the deceased or the person to be remembered, stating that a gift has been made in perpetuity in remembrance of their loved one.

The donations received from the Tribute Fund are placed in the permanently restricted endowment fund, which means that those funds will never be spent on operating expenses. This means that your gift will ensure that scouting programs will carry on well into the future. Last year over \$5,000 was placed in the endowment fund from tribute donations. A sample of the coupon is placed below for your use. When this is received, you will be sent a book for your use in the future.

Champion for the tribute Fund is veterinarian, Dr. John Nelson of Morristown, who even uses this method to recognize his clients who have lost their favorite pet.
